

TO ALL PATIENTS WITH INSURANCE

Please be advised that an estimated patient responsibility is due at each visit. We do our best to estimate patient responsibility, however, we are not perfect. Once Insurance processes the claim, it is out of our hands. If for some reason the insurance company does not process it correctly, we will do our best to fight the claim. The bottom line rests with the insurance company. In addition you may receive an additional bill from our office.

Thank you in advance for your understanding and cooperation in this matter.
